

Report on Painting competition

Ministry of oil and gas has taken an initiative to promote awareness of oil, fuel and gas conservation among students. As part of this initiative they advised the college to conduct a wall painting competition. Thus, the College in collaboration with Sakshyam organised a wall graffiti competition on 12th Feb, 2018. A team of six students from different faculties have done the painting which very well depicted the causes, remedies and measures for oil and fuel conservation. The effort of the students was well appreciated.
