

About the Workshop

Cyber hygiene is a reference to the practices and steps that users of computers and other devices take to maintain system health and improve online security. Maintenance and security are the two basic features achieved through regular cyber hygiene procedures. Security is perhaps the most important reason to incorporate a cyber hygiene routine. Hackers, identity thieves, advanced viruses, and intelligent malware are all part of the hostile threat landscape. While predicting threats can be challenging, preparing and preventing them becomes feasible with sound cyber hygiene practices.

Poor cyber hygiene can lead to loss of data, misplaced data, security breach, out of date software, etc. While there are numerous threats and multiple vulnerabilities of cyber security threats, creating a cyber hygiene routine can be achieved by following few practices implemented regularly and improve the security of a system such as documentation of all current programs and equipment, analyze the list of programs and equipments, create a common cyber hygiene policy, regularly changing complex passwords, employing a cyber security framework, etc.

Two day national workshop aims at bringing awareness on cyber hygiene and cyber security and make the participants more cyber literate.

The sub-areas of research in the theme are as follows:

- a) Cyber hygiene
- b) Cyber security
- c) Risks of cyber security
- d) Fundamentals of information security
- e) Cyber hygiene practices

Objectives

- i) To minimize the risk of operational interruptions, data compromise and data loss
- ii) To achieve optimal cyber security
- iii) To reduce data breach may include financial loss, government fines, operational downtime, organizational upheaval, damage to the organization's reputation and legal liability.
- iv) To adopt the best practices to achieve cyber hygiene
- v) To spread awareness that cyber hygiene is everybody's responsibility.

Registration Process:

The interested participants can pay registration fee through Gpay or Phonepe to the following account:

Name: PRINCIPAL, University College for Women

Account No.: 52197214568

IFSC Code: SBIN0020062

Name & Branch: SBI, Koti & Hyderabad

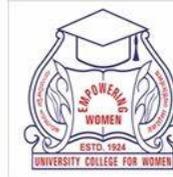

REGISTRATION FEE

Faculty / Academicians : Rs. 300/-

Research scholars / PG students : Rs. 100/-

From Industry : Rs. 1000/-

About the College

University College for Women is a constituent college of Osmania University, with autonomous status since 1989. It is accredited 'Five Stars' in the first cycle and 'A' Grade in the next two cycles of NAAC. CPE Status (Third Cycle) renewed in the year 2016-17. The college has been established in the year 1924. The college provides quality education to women and empowers them to attain the holistic development through spectrum of various curricular and co-curricular activities. The College has ever since been striving for excellence in the fields of teaching, research, employment and entrepreneurship. It offers more than 40 subjects at UG level and 20 subjects at PG level spanning the disciplines of Arts, Social Sciences, Commerce and Sciences. The College is located in a sprawling Campus of 42 acres covered with lush green vegetation and foliage. It has the state of art Labs, Classrooms and infrastructural facilities which are optimally utilised for extended activities like Diploma & Certificate Courses, Add-on Courses, Workshops, Seminars, Extension Lectures, Personality Development Classes, Sports, Extension and Outreach Activities, etc. The College has successfully implemented Choice Based Credit System (CBCS) pattern with a component of interdisciplinary and add-on courses with effect from the Academic Year 2015 – 16.

About Women's Study Centre

The Women's Study Centre was established in the College in June 2009. The Centre is an important part of Social Sciences, has been conceived as a distinct space for engaging questions relating to women and gender both in Creating Awareness, Teaching and Research. The Centre initiated various programmes stage wise. In the preparatory stage, collected and collated data related to women issues and then disseminated information to various non-governmental organizations, women centres in various universities in the state and across the country. Further, the Centre has organized and participated in seminars and workshop, established contacts with other departments such as SHRC, NHRC, SWRC, NWRC, SC/ST Cell etc, developed library facilities to strengthen the functioning of Women Study Centre.

Objectives

- To stimulate awareness and to make the learners familiar with women's issues and women's rights and to enable them to critically analyse issues on human rights perspectives.
- To evolve gender perspective in developing curriculum material of social relevance and enable further research
- To encourage Women's Empowerment and Gender Equity through Advocacy, Capacity Building, Networking within and outside the University system, especially targeting women belonging to different strata through training, field action, sensitisation workshop, counselling and self-help programmes.
- To motivate the women from all strata of society ranging from housewives to professionals in the state of Telangana for an inclusive healthier society.
- To focus on the much-needed paradigm shift in socialization and on concrete efforts to reach out to society to bridge the inequalities that confront women today.

About Women Cell

Women Cell is an integral part of University College for Women, aiming at empowering and orienting women to recognize their true potential and to help them attain their own stand in a competing world. Its goal is holistic development of women in all the spheres of their life.

Objectives

- To empower women and at creating wider gender sensitivity so as to facilitate a congenial working environment.
- To provide and maintain a dignified, congenial working environment for women employees and students, where they can work, study and explore their potential to the fullest.
- To create awareness of their rights and duties, take up women's issues and problems.
- To develop critical thinking ability of women students such that it enhances decision-making ability.
- To enable women to make informed choices in areas like education, employment and health.
- To mould the potential women-force in the campus to achieve thriving milestones of success.
