

6. BHAROSA- She team and anti ragging awareness

" She" Team is a first of its kind initiative in the country launched by Telangana government on 24th October 2014 with the vision of providing a safe and secure environment for women. These teams are headed by smt. Shikha Goel, IPS , Addl. CP crimes and SIT . She teams are engaged in round the clock surveillance of the city by mapping out "hotspots" and "hot timings" where offenders pounce on the victims . She teams are boon to the women in the state who can get timely police help and go about their work without fear.

She team is a division of Telangana State police for enhanced safety and security of women. They also work to prevent child marriages in Telangana State. These teams work in small groups to arrest eve teasers, stalkers, and harassers They operate mainly in busy areas like bus stops, colleges, theaters, etc.

Women have the power to create, nature and transform and yet for all these positive attributes have never been treated on par with men in all societies, cultures and classes of the world. Gender based discriminations and violence against women have been reinforced through prejudices, biases and attitudes that prevent them from reaching their potential . As individuals to encourage women to protect themselves from ragging and eve teasing our NSS group from UNIVERSITY COLLEGE FOR WOMEN [kotij] made a move for rally in Nizam college to give general information and awareness about She teams. we people after completion of rally gathered at seminar hall in Nizam college .

Our chief guest ,guest of honour ,lectures gave speeches which gave information about She teams that ,how to approach them, how they are going to keep details of victim, how to contact them etc.,

we are so glade to have this session because ,there intention is to save and protect the girls. As a responsible students we gave our best support to them by involving in rally and seminar. By attending this event we got lot of information about she teams and now we are also ready to help girls who are in trouble.
