

9. SAKSHAM EVENT

Samadrishti, Kshamata Vikas Eevam Anusandhan Mandal[SAKSHAM]. SAKSHAM is a national Organization working in the field of disability. All issues relating to hearing, visualizing and ect are discussed in two days workshop. They have made rapid strides in activating Kshamata Vikas Prakoshts all over BHARAT. This year they have conducted four national level workshops for visually challenged, leprosy cured but disabled persons, hearing challenged and intellectual and development disorders.

In the seminar conducted by the SAKSHAM group made inspired us with their relationship with disabilities. The organizer Shyama garu and the guest of the meeting Swathi Daree garu . We visited the organisation on sept 14th were we all surprised to see the hand crafts made by the specially abled persons. This makes every individual in the nation inspire. we people from our college went their to make the specially abled person to learn self defense.

The life style of especially abled persons touched the heart of every individual in the meeting. Even though they are disabled they can anything like normal persons. They even can do the work more than normal person. They have taken their life as a big challenge and trying to be the perfect.
