Report on the Two Day Program on Communication Skills and Interview Preparation

A Two Day Program on "**Communication Skills and Interview Preparation**" was held on 9-10, **August 2017** by the Directorate of Placement Services, Osmania University in collaboration with our College University College for Women, Koti, Hyderabad. The training was conducted by Mr. Venkata Ramana, Director, HIMS.

The Principal of the College Prof. Prashanta Athma stressed upon the importance of Placement Cell and stated that the placement of the students in good position will boost the image of the college.

Stating the importance of the Placement Cell, she stated that it will help the students to prepare for interviews and give tips about improving the resume so that the students can walk into an interview, prepared and ready to face the potential employer.

She reiterated that for a student to be placed in a better position, it is necessary that they possess not just subject knowledge but also communication and computer skills and be aware of the etiquettes required before attending an interview and it is in that pursuit, the Placement Training for the students of UG Courses is being organized by the college in collaboration with the Directorate of Placements, OU.

She advised the students to participate and get involved in the Program to take the best advantage of the opportunity provided.

The Director of the Placements Services, Osmania University while speaking on the occasion exhorted the students to become economically independent through jobs and explained how having economic independence can help them in their decision making.

She reiterated that women should be empowered in today's world and for that a job is compulsory. She reminded the students how important it is for them to have other inputs like attitude. She also educated the students about placements and higher education.

She emphasized the need to have required skill sets about G.K and English. She also asked the students to look for jobs in the private sector too. She concluded her speech by explaining about the rationale of the programme on training communication skills and interview preparation.
